Under the agreement for 2015
Redcliffe Special School will receive

$40,540*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

Increase the Numeracy skills of all learners with a focus on number, money and time.
Increase the Literacy skills of all learners with a focus on reading, comprehension and oral language skills.
Develop the communication capability of students requiring Augmented Communication devices.
Improve teaching capability through coaching and targeted professional development.

Our strategy will be to

Identify, review and record specific learning needs in the area of Literacy and Numeracy using the Individual Curriculum Plan Process.
Utilize the Art and Science of Teaching (Marzano) to increase teacher instructional capability.

Our school will improve student outcomes by

- Employing a Literacy Coach to lead the implementation of the Whole School Literacy Plan. $12 500
- Employing a Numeracy Coach to lead the implementation of the Whole School Numeracy Plan. $12 500
- Purchasing resources to support the Literacy Plan. $ 5 000
- Review and begin implementing the Numeracy Plan. $ 4 000
- Purchasing resources to support the Numeracy Plan. $ 6 540
