Under this agreement for 2016
Redcliffe Special School will receive $80,523*

This funding will be used to

- Increase the Literacy skills of all learners with a focus on reading, comprehension and communication.
- Increase the Numeracy skills of all learners with a focus on number, money and time.
- Improve teaching capability through coaching and targeted professional development.

Our initiatives include

- Implement a consistent whole school approach to teaching reading utilizing the Gradual Release of Responsibility Model.
- Develop and implement a consistent whole school approach to teaching the fundamentals of communication.
- Trial the YuMi Deadly Maths approach to teaching Numeracy.

Our school will improve student outcomes by

- Employing a Literacy Coach to lead the implementation of the Whole School Literacy and Communication Plan. $30,000
- Employing a teacher aide to support the implementation of the Whole School Literacy and Communication Plan. $20,000
- Providing professional development to support the Whole School Literacy and Communication Plan. $10,523
- Purchasing resources to support the Literacy and Communication Plan. $10,000
- Purchasing resources to support the Numeracy Plan. $10,000
